IDEA Maintenance of Effort FY 2012 Eligibility

Several districts have accessed the IDEA Maintenance of Effort (MOE) 2011-12 Eligibility Report and Exceptions software, and we appreciate your diligence in entering exception data by the January 27, 2012 deadline. Several questions regarding the exception data have arisen, and the number of calls and emails coming into the fiscal monitoring consultants has significantly increased. We ask for your continued support and patience as we work our way through the calls, emails, and review process. Regardless of the LEA’s initial “Met” or “Fail” status, we will review all submitted data and send an email confirming your LEA’s “Met” status.
